. Counsel for the petitioner produces before us letter dated 24th July, 2006 written by the Executive Engineer to the petitioner on behalf of respondent No.4. By that letter Shri Ramesh Shetty has been informed that he is entitled to alternative accommodation and that he may collect the key. It is the case of the petitioner that he is the Power of Attorney of Hemwati Bhoja Shetty and the communication of 24th July, 2006 was received by him. This letter dated 24th July, 2006 has a condition precedent to the petitioner removing his structure and the respondents giving to the petitioner alternate commercial establishment. Considering the letter dated 24th July, 2006 we find no cause for interference. If the letter dated letter dated 24th
